A Window of Italian Scented Flavors in Texas

Join us Monday, March 8th at 7:00pm for this unique opportunity to experience a true taste of the vast culinary delights of Italy on behalf of the *Field to Table* movement as presented by 2 very special guests; the renowned Sicilian Chef Carmelo Chiamonte and the highly acclaimed food writer and journalist Roberta Corradin.

This is a program instituted by the Italian Trade Commission that aims to further highlight true Italian flavors through Italian products. Chef Chiamonte is the flag-bearer for Italy in this project. He formerly ran the kitchen at Katane Palace in Catania on Sicily's east coast where he was known for his creativity in reinterpreting traditional Sicilian dishes and flavors.

The dinner features six courses, a palate cleanser and wine pairings. The cost per person is \$100 plus tax & gratuity.
